

Epworth App Installation Guide

Epworthians

Installing the MyAppZone Communication App

To install the Epworth communication app on your device, please follow the instructions below.

1. Open the app store on your device.
2. Either search for *Epworth School*, or use the direct store links included below:

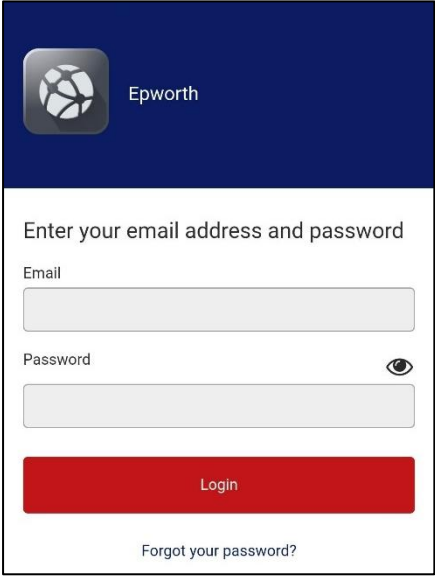

[Epworth School - Apps on Google Play](#)

[Epworth School SA on the App Store](#)

Please note that unfortunately **devices that do not have the Google Play Store or Apple App Store are unsupported (for example Huawei devices)**. In this case you will need to use a different device to access the communication app.

3. Depending on your device, please either tap *Install* or *Get* to install the app.
4. Once the app is downloaded and installed, please open it.

5. You should be presented with the following login page.

The image shows the Epworth login page. At the top, there is a dark blue header with the Epworth logo (a stylized soccer ball) and the word "Epworth" in white. Below the header, the text "Enter your email address and password" is displayed. There are two input fields: "Email" and "Password". The "Email" field is empty, and the "Password" field is also empty, with a small eye icon to its right. Below the input fields is a red "Login" button. At the bottom, there is a link that says "Forgot your password?".

6. Please enter the following details to sign in as an Epworthian:

Email: epworthians@epworth.co.za
Password: EpworthSchool

Please take note of the capitalised E and S above.

The image shows the Epworth login page with example credentials entered. The "Email" field contains "example@email.com" and the "Password" field contains ".....". The "Login" button is red, and the "Forgot your password?" link is at the bottom.

7. Please do not try to change this password. It is a generic account, and the credentials serve to prevent the general public from accessing the app. Password reset emails are ignored automatically.

8. Please allow notification permissions if prompted.

9. Once you are signed in, you should see a landing page similar to the following:
